In re Application of  
Samuel K. Giles et al  
Application No. 10/644,572  
Filed: August 21, 2003  
For: VEHICLE SECURITY SYSTEM

**OFFICE OF PETITIONS  
ON PETITION**

This is a decision on the petition under 37 CFR 1.137(b), filed December 23, 2005, to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to reply in a timely manner to the non-final Office action mailed October 6, 2004, which set a shortened statutory period for reply of three (3) months. A two (2) month extension of time under the provisions of 37 CFR 1.136(a) was obtained.<sup>1</sup> Accordingly, the above-identified application became abandoned on March 7, 2005.

The instant petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that (1) the reply in the form of an amendment; (2) the petition fee; and (3) the required statement of unintentionally delay have been received. Accordingly, the reply to the non-final Office action of October 6, 2004 is accepted as having been unintentionally delayed.

This matter is being referred to Technology Center AU 2632.

Telephone inquiries concerning this decision should be directed to Wan Laymon at (571) 272-3220.
